DESCRIPTION

This Audi A3 TDI from 2008 boasts an impressive history with only three previous owners, offering a well cared for example of this popular model. Powered by a 1.9 litre diesel engine, this A3 is equipped with air conditioning for your comfort.

This particular A3 TDI stands out with its exceptional fuel economy, achieving an impressive 63 miles per gallon, which is significantly better than many other vehicles. It also benefits from a low insurance group, making it an economical choice to own and run. Furthermore, you will appreciate the generous boot space, perfect for luggage or shopping, and its low CO2 emissions contribute to a more environmentally friendly drive.
