DESCRIPTION

This 2013 Chevrolet Captiva VCDi LTZ is a standout choice, boasting exceptionally low mileage for its age with only 45,419 miles covered and having been cherished by just one owner from new. This four wheel drive, seven seater SUV is powered by an efficient 2.2 litre diesel engine, offering a robust and capable driving experience. The LTZ trim level ensures a well equipped interior, featuring a rear parking camera and rear parking sensors to aid manoeuvrability, alongside automatic lighting control for convenience.

Further enhancing your comfort and driving pleasure, this Captiva includes electronic climate control with an air quality sensor, ensuring a pleasant cabin environment in all conditions. The front seats are heated, providing extra warmth during colder journeys. These carefully selected features, combined with the vehicle's excellent provenance, demonstrate a level of care and specification that sets this Chevrolet Captiva apart from others you may find.
