DESCRIPTION

This 2016 DS Automobiles DS 4 BlueHDi Elegance offers a rare combination of reliability and careful ownership, having covered miles with only two owners from new. This hatchback is powered by a 1.6 litre diesel engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. Inside the cabin, the Elegance trim provides a comfortable environment equipped with dual zone automatic air conditioning to maintain the perfect temperature. Practicality is enhanced by rear parking sensors to assist with manoeuvring, while the integrated Bluetooth system allows for seamless media streaming and connectivity while on the move. The vehicle also features automatic headlights that adjust to changing light conditions, adding convenience to every journey.

Choosing this model provides significant advantages for daily driving, particularly regarding running costs and utility. The engine is highly efficient, capable of achieving up to 74 mpg, which helps to keep fuel expenses low. Furthermore, the vehicle benefits from low CO2 emissions and falls into a low insurance group, making it an economical choice for a wide range of drivers. Beyond its efficiency, the car is designed with a large boot space, offering ample room for luggage or shopping, which makes it a practical option for those who need versatility without compromising on the benefits of a compact and manageable vehicle.
