DESCRIPTION

This 2016 Hyundai i30 CRDi SE presents a remarkable opportunity with its exceptionally low mileage of just 72,753 miles, especially considering its age, and having been owned by only two previous keepers. This well maintained hatchback is equipped with a 1.6 litre diesel engine, meeting Euro 6 emissions standards, and boasts a generous boot space perfect for everyday needs. Inside, you'll find practical features such as rear parking sensors to aid manoeuvring, air conditioning for a comfortable cabin environment, and Bluetooth connectivity for seamless audio streaming and hands free calls.

The Hyundai i30 CRDi SE stands out from its peers with several key advantages. Its impressive fuel economy of 78 miles per gallon means fewer trips to the petrol station and more savings on your running costs. Furthermore, its low CO2 emissions contribute to a more environmentally friendly drive, and it falls into a low insurance group, making it an economical choice for many drivers. These factors combined make this i30 a sensible and cost effective option.
