DESCRIPTION

This 2016 Hyundai i30 Premium offers a practical and well-equipped driving experience that is ideal for daily use. As a Premium variant, this model features a 1.6 litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. The interior is designed for comfort and convenience, coming equipped with heated front seats and a heated steering wheel to help during colder weather. Drivers will also benefit from the ease of keyless entry and the support of rear parking sensors, while the dual zone climate control allows for personalised temperature settings for both the driver and passengers.

The design of this vehicle prioritises everyday usability, making it a sensible choice for those seeking reliability and comfort. It stands out from similar models due to its low insurance group, which can help reduce ongoing running costs for the owner. Furthermore, the vehicle provides a large boot space, offering plenty of room for luggage, shopping, or equipment, which adds a layer of versatility that many drivers will find beneficial for their lifestyle needs.
