PRACTICALITY

Doors	5
Seats	5

DESCRIPTION

This 2015 Hyundai i40 CRDi Premium presents a superb ownership proposition, having been cared for by only two owners. Under the bonnet lies an efficient 1.7 litre diesel engine, offering a compelling blend of performance and economy. This Premium trim level comes equipped with a host of desirable features, including automatic headlights for effortless night driving, front parking sensors to aid manoeuvring, and a panoramic sunroof with electric tilt and slide for an airy cabin experience. The driver's seat also benefits from a memory function, ensuring your preferred position is always readily available.

The Hyundai i40 CRDi Premium stands out with its impressive fuel economy, achieving a remarkable 63 miles per gallon, which is significantly better than many other vehicles in its class. This efficiency is complemented by low CO2 emissions, making it a more environmentally conscious choice. Furthermore, the generous boot space provides ample room for luggage or shopping, adding to its practicality. The low insurance group rating also means that running costs are kept to a minimum, making this i40 an exceptionally sensible and well equipped option.
