DESCRIPTION

This 2015 Hyundai i40 CRDi SE Nav presents a remarkable opportunity with its exceptionally low mileage of just 76,645 miles for its age. This Euro 6 compliant diesel model boasts a 1.7 litre engine and comes equipped with desirable features such as Bluetooth connectivity for seamless phone integration, a rear view parking camera complemented by front parking sensors to assist with manoeuvring, and a heated steering wheel and front seats for enhanced comfort during colder journeys.

The SE Nav trim level ensures you benefit from practical additions that make this i40 stand out. Its low insurance group rating is a significant advantage, potentially saving you money on running costs compared to similar vehicles. Furthermore, the generous boot space offers ample room for luggage or shopping, making it a versatile choice for families or those who require extra carrying capacity.
