DESCRIPTION

This 2013 Hyundai ix35 CRDi Premium offers a refined driving experience with its efficient 1.7 litre diesel engine. As a Premium trim model, it comes equipped with desirable features designed for comfort and convenience. You'll appreciate the dual zone climate control, complete with a humidity sensor and ioniser, ensuring a pleasant cabin environment for all occupants. For added ease, it includes rear parking sensors and Bluetooth connectivity with voice recognition, making journeys smoother and more connected.

The heated front and outer rear seats provide extra comfort during colder months, a thoughtful touch that sets this ix35 apart. The inclusion of air conditioning further enhances the cabin's comfort. These features collectively demonstrate the Premium trim's focus on driver and passenger well being, offering a superior level of refinement compared to other vehicles in its class.
