DESCRIPTION

This 2015 Hyundai ix35 CRDi SE offers a practical and well-equipped driving experience for those seeking a reliable family vehicle. As a diesel model featuring a 1.7L engine, this SUV balances efficiency with everyday usability. The SE trim level includes a range of helpful technology designed to make journeys more comfortable, such as dual zone climate control that comes complete with a humidity sensor and ioniser. Drivers will also benefit from automatic headlights that adjust to changing conditions, alongside Bluetooth connectivity with voice recognition for safer communication while on the move.

Parking and manoeuvring this vehicle is straightforward thanks to the inclusion of rear parking sensors and a reversing camera, which provide extra assistance in tight spaces. These features collectively enhance the daily driving experience by reducing stress in busy environments and ensuring the cabin remains a pleasant place to be regardless of the weather outside. By combining these thoughtful additions with the proven reliability of the Hyundai brand, this ix35 provides a sensible and capable option for anyone needing a versatile vehicle that prioritises convenience and ease of use.
