DESCRIPTION

This Kia Sportage CRDi 2 from 2014, with only two owners, offers a superb blend of practicality and comfort. Powered by an efficient 1.7 litre diesel engine, this model is equipped with desirable features including Bluetooth connectivity for both music streaming and hands free calls, dual automatic climate control for personalised comfort, and rear parking sensors to aid manoeuvring. The spacious interior also benefits from an electric panoramic sunroof, adding to the sense of openness and light within the cabin.

This Sportage stands out with its impressive fuel economy, achieving an excellent 54 miles per gallon, which is a significant advantage for everyday running costs. Its low CO2 emissions further contribute to its economical profile, making it an environmentally conscious choice. Furthermore, its low insurance group rating indicates that ownership costs will be kept to a minimum. The generous boot space ensures that carrying luggage or shopping is never an issue, making this a highly practical and cost effective option for many drivers.
