Seats	5

DESCRIPTION

This 2015 Kia Sportage CRDi 4 is a superb example, having had only two owners from new. It features a responsive 1.7 litre diesel engine and meets Euro 6 emissions standards. Inside, you'll find a wealth of desirable features, including a heated steering wheel for those chilly mornings, and Bluetooth hands free connectivity for seamless calls on the go. The electric panoramic sunroof with a safety function floods the cabin with light, while the smart entry system and engine start-stop button offer keyless convenience. Parking is made easier with front parking sensors.

This Sportage stands out with its impressive fuel economy of 55 miles per gallon, making it an economical choice for your journeys. Its low CO2 emissions are also a significant benefit, contributing to lower road tax. Furthermore, the generous boot space provides ample room for shopping, luggage, or sports equipment. The vehicle also benefits from a low insurance group, which can help to keep your running costs down, indicating it is a more affordable option compared to many similar vehicles.
