DESCRIPTION

This 2013 Kia Sportage CRDi KX-3 offers a rare combination of reliability and careful ownership, having covered just 73,125 miles with only two owners from new. This four wheel drive SUV is powered by a capable 2.0 litre diesel engine, making it a practical choice for various driving conditions. The KX-3 trim level is well equipped, featuring a panoramic sunroof with a one touch electric function and safety system, alongside xenon headlights with auto levelling for improved visibility. Inside, the cabin is designed for comfort with dual automatic climate control and heated seats for both front and rear passengers, while rear parking sensors assist with manoeuvring in tight spaces.

The vehicle stands out from similar models due to its thoughtful design and low running costs. It sits in a low insurance group, which helps to keep annual expenses manageable for the owner. Furthermore, the generous boot space provides ample room for luggage, shopping, or equipment, making it a highly versatile option for families or those who require extra practicality in their daily transport.
