DESCRIPTION

This 2011 Lexus CT 200h SE-I boasts an impressive provenance with only two previous owners and a full service history, ensuring its excellent condition. This 1.8L petrol hybrid model offers a smooth and efficient driving experience, complemented by a clear vehicle history check and 12 months MOT provided on purchase. Inside, you'll find a comfortable cabin equipped with dual zone climate control, air conditioning, and Bluetooth connectivity for seamless integration of your devices.

The SE-I trim level comes with practical features designed to make driving easier, including front and rear parking sensors to assist with manoeuvring. This Lexus CT stands out with its low mileage for its age, having covered just 74,965 miles, and its low insurance group rating, which indicates it is more economical to own than many comparable vehicles. Furthermore, the generous boot space provides ample room for luggage or shopping, making it a versatile choice for everyday use.
