## DESCRIPTION

This 2013 Lexus IS 300h Luxury boasts a full service history, ensuring excellent provenance for this sophisticated hybrid. As a 2.5L petrol hybrid, it offers an efficient and refined driving experience. The vehicle comes with 12 months MOT provided on purchase and has a clear vehicle history check. Inside, you'll find luxurious black leather upholstery that is both electric and ventilated, complemented by dual zone climate control for personalised comfort. Connectivity is seamless with Bluetooth, and the Lexus Premium Navigation System includes rear camera parking assistance, all protected by the included Protection Pack.

The Lexus IS 300h Luxury stands out with its combination of advanced technology and premium comfort features. The electric and ventilated leather seats, along with the dual zone climate control, provide a superior level of comfort compared to many vehicles in its class. The integrated Lexus Premium Navigation System with parking assistance further enhances the driving experience, offering convenience and peace of mind. This well maintained example, with its full service history and clear history check, represents a compelling choice for those seeking a high quality, efficient, and well equipped premium saloon.
