## DESCRIPTION

This 2014 Mazda CX-5 SKYACTIV-D SE-L presents an exceptional ownership proposition with its full service history and a clear vehicle history check, all supported by an MOT valid until February 2027. This 2.2 litre diesel model, adhering to Euro 6 emissions standards, has covered a very low mileage of just 78122 miles for its age. Inside, you'll find comfort and convenience with dual zone climate control and an integrated Bluetooth system for seamless connectivity. Parking is made easier with both front and rear parking sensors, complemented by dusk sensing automatic headlights.

The CX-5 SE-L stands out with its impressive fuel economy, achieving an excellent 61 mpg, which indicates it is more economical than many similar vehicles. Furthermore, its low CO2 emissions highlight its environmental consideration, and it sits within a low insurance group, suggesting lower running costs compared to other cars. This model also boasts a large boot space, offering practicality for all your needs, making it a well rounded choice for everyday driving.
