DESCRIPTION

This 2011 Mazda2 Tamura is a great find with remarkably low mileage for its age, having covered just 73077 miles. This particular example is powered by an efficient 1.3 litre petrol engine and comes equipped with air conditioning to ensure your comfort on every journey.

When considering running costs, this Mazda2 stands out. Its impressive fuel economy of 57 miles per gallon is a significant advantage, meaning fewer trips to the petrol station. Furthermore, its low CO2 emissions and placement in a low insurance group indicate that it is more economical to own and run than many other vehicles in its class.
