DESCRIPTION

This 2016 Mazda Mazda2 SKYACTIV-G SE-L offers a practical and reliable choice for those seeking a well-maintained hatchback. As an SE-L trim model, it is powered by a 1.5-litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. Inside the cabin, the vehicle is equipped with air conditioning to maintain a comfortable temperature, alongside a Bluetooth hands-free system that allows for safe and convenient connectivity while on the move.

The Mazda2 stands out in its class by balancing performance with everyday running costs, making it an economical option for a wide range of drivers. It is particularly notable for its impressive fuel economy, achieving up to 60 mpg, which helps to reduce frequent stops at the petrol station. Furthermore, the vehicle benefits from a low insurance group rating and low CO2 emissions, which contribute to more affordable overall ownership costs compared to many other similar vehicles on the road.
