DESCRIPTION

This 2015 Mazda2 SKYACTIV-G SE-L is a standout choice, having been cherished by just one owner from new and boasting impressively low mileage for its age at only 48,324 miles. This particular SE-L model is equipped with a responsive 1.5 litre petrol engine and meets Euro 6 emissions standards. For your comfort and convenience, it features air conditioning to keep you cool and an integrated Bluetooth system, allowing for seamless hands free calls and music streaming.

When you compare this Mazda2 to others, its highlights truly shine. Achieving an excellent fuel economy of up to 63 miles per gallon, it offers significant savings on running costs. Furthermore, its low CO2 emissions are beneficial for the environment. The car's performance is also noteworthy, with an acceleration of 0 to 62 miles per hour in just 9.4 seconds, demonstrating a good balance of efficiency and driving enjoyment.
