DESCRIPTION

This 2014 Mazda Mazda2 Tamura Nav has been well cared for by only two owners from new and comes with a clear vehicle history check for your peace of mind. This hatchback is powered by a 1.5 litre petrol engine, offering a reliable driving experience suitable for various journeys. Inside, the cabin is equipped with air conditioning to keep the temperature comfortable, while the Alpine navigation system, which includes a branded sound system, helps you find your way and enjoy your music. You can also stay connected on the move thanks to the integrated Bluetooth hands free system.

Choosing this particular model offers a practical advantage over many similar vehicles due to the inclusion of the upgraded Alpine navigation and audio setup, which enhances both convenience and entertainment during your daily commute. The combination of a proven ownership history and these specific technology features makes this Mazda2 a sensible and well-equipped choice for anyone seeking a dependable small car.
