DESCRIPTION

This 2016 Mitsubishi Outlander GX3h offers a reliable choice for your next vehicle, having been cared for by only two owners from new. This plug-in hybrid model features a 2.0 litre petrol engine paired with a four wheel drive system, providing a versatile driving experience. With 81,335 miles on the clock, it represents a sensible mileage for its age. Inside, the cabin is equipped with dual zone climate control to keep the temperature comfortable for all passengers, while the keyless entry system adds a layer of convenience to your daily routine. Staying connected on the move is straightforward thanks to the integrated Bluetooth hands free telephone kit.

Manoeuvring in tight spaces is made easier by the rear parking sensors, which provide helpful assistance when reversing. The automatic light sensor ensures your headlights activate when needed, allowing you to focus on the road ahead without worrying about manual adjustments. These practical features combine to make this Outlander a well-equipped and functional option for those seeking a capable hybrid vehicle that balances modern technology with everyday usability.
