DESCRIPTION

This 2014 Mitsubishi Outlander GX4h offers a rare find for its age with a very low mileage of 79,905 miles. This plug-in hybrid vehicle combines a 2.0 litre petrol engine with a four wheel drive system, providing a versatile driving experience. The interior is equipped with heated front seats and an electric glass tilt and slide sunroof with anti-trapping technology for added comfort. Connectivity and convenience are supported by a Bluetooth hands free telephone kit, while parking is made simpler with the integrated rear view camera. The exterior lighting is managed by automatic headlights that activate via a light sensor.

The inclusion of these specific features demonstrates a focus on both driver convenience and passenger comfort that sets this model apart. Having the combination of a hybrid powertrain and four wheel drive capability provides a practical solution for various driving conditions, while the thoughtful additions like the rear view camera and automatic headlights assist with daily usability. This vehicle presents a well-rounded package that balances efficiency with a high level of standard equipment, making it a reliable choice for those seeking a capable and well-maintained hybrid SUV.
