DESCRIPTION

This 2015 Mitsubishi Outlander GX4h offers a rare find for its age, having covered only 53,434 miles. This plug-in hybrid SUV combines a 2.0-litre petrol engine with a four-wheel drive system, providing a versatile driving experience. The GX4h trim level comes well-equipped with practical technology, including a Bluetooth hands-free telephone kit for easy connectivity and a rear-view camera that assists with parking. Comfort is maintained through dual-zone climate control, while visibility is enhanced by automatic headlights with sensors and bright xenon lighting.

The inclusion of these specific features makes this Outlander a practical choice for those seeking a balance of efficiency and convenience. The combination of the plug-in hybrid powertrain and four-wheel drive capability allows for adaptable performance across different driving conditions. By integrating advanced lighting technology and driver assistance systems, this vehicle provides a straightforward and comfortable environment for both daily commuting and longer journeys.
