DESCRIPTION

Discover this 2016 Nissan Juke DIG-T Tekna, a truly economical choice with remarkably low mileage for its age, having covered just 45,287 miles. This stylish hatchback is powered by an efficient 1.2 litre petrol engine, meeting Euro 6 emissions standards. Inside, you'll find a host of convenient features designed for modern driving, including a colour reversing camera with parking assistance, intelligent key with push button start for keyless entry, and Bluetooth integration for seamless telephone connectivity. The Tekna trim also benefits from a comprehensive safety pack, featuring Blind Spot Assistance and a 360 degree camera system, alongside heated front seats for added comfort.

This Nissan Juke stands out with its impressive fuel economy, achieving up to 50 miles per gallon, which is a significant advantage for keeping running costs down. Its low CO2 emissions further contribute to its environmental credentials. Furthermore, its placement in a low insurance group highlights its affordability, making it an attractive option for a wide range of drivers seeking a practical and feature packed vehicle that offers excellent value compared to similar models on the market.
