DESCRIPTION

This Nissan Juke Tekna from 2014 offers exceptional value with its remarkably low mileage of just 51,761 miles, especially for a vehicle of its age. This particular example has been well cared for, boasting a full service history and only two previous owners, with a clear vehicle history check for your peace of mind. The Tekna trim level comes equipped with desirable features such as Bluetooth for seamless phone integration, heated front seats for comfort in cooler weather, and climate control air conditioning to maintain a pleasant cabin temperature. Additionally, the integrated colour reversing camera makes parking and manoeuvring significantly easier.

The Juke Tekna is presented with a 12 month MOT, ensuring its roadworthiness. Its low insurance group rating is a notable highlight, suggesting that running costs will be more affordable compared to similar vehicles. This combination of low mileage, excellent provenance, and practical features makes this 2014 Nissan Juke Tekna a compelling choice for those seeking a stylish and well maintained compact car.
