DESCRIPTION

This 2014 Nissan Micra Acenta boasts a full service history and an MOT valid until December 2026, offering excellent peace of mind. This well maintained example, with only two previous owners, is powered by an efficient 1.2 litre petrol engine. Inside, you'll find the convenient NissanConnect system, automatic headlights that activate with the dusk sensor, and climate control to keep you comfortable in all conditions. Bluetooth telephone integration allows for seamless connectivity on the go.

The Acenta trim level ensures a good range of features, and this particular Micra stands out with its low insurance group rating, making it an economical choice for many drivers. The combination of its comprehensive service history, long MOT, and desirable features like NissanConnect and Bluetooth, positions this Micra as a strong contender for those seeking a reliable and well equipped compact car.
