## DESCRIPTION

This 2015 Nissan Qashqai DIG-T Acenta boasts an exceptional provenance, having been owned by only two previous keepers and benefiting from a full service history with a clear vehicle history check. This well maintained 1.2 litre petrol model, registered in 2015, is a Euro 6 compliant vehicle with an MOT valid until June 2027. It comes equipped with the desirable Smart Vision Pack, offering front and rear parking assistance, alongside Bluetooth integration for seamless telephone connectivity. Inside, you'll find dual zone climate control for personalised comfort and automatic headlights for convenience.

With a low mileage of just 65,955 miles for its age, this Qashqai offers excellent value. Its fuel economy is a notable highlight, achieving an impressive 50 miles per gallon, which indicates it is more economical than many similar vehicles. Furthermore, its low insurance group and low CO2 emissions mean that running costs are kept to a minimum, making it a sensible choice for many drivers.
