## DESCRIPTION

This 2015 Nissan Qashqai DIG-T Tekna presents an exceptional ownership proposition, having been meticulously maintained by a single owner from new and boasting a remarkably low mileage of just 47,866 miles. Under the bonnet, a responsive 1.2 litre petrol engine powers this Euro 6 compliant vehicle, ensuring efficient performance. The Tekna trim level comes equipped with a suite of advanced driver aids, including Blind Spot Warning with Blind Spot Assistance, automatic Bi-LED headlights that illuminate the road ahead, and an Around View Monitor offering a 360 bird's eye view to simplify parking, complemented by rear parking sensors.

This Qashqai stands out from others in its class due to its impressive fuel economy, achieving a notable 49 miles per gallon, and its low CO2 emissions, which contribute to a lower insurance group. These highlights demonstrate a vehicle that is not only economical to run but also offers a more cost effective ownership experience compared to many similar models.
