DESCRIPTION

This 2016 Nissan Qashqai dCi N-Connecta boasts remarkably low mileage for its age, having covered just 79,272 miles. As a Euro 6 compliant model, it features a 1.6L diesel engine and comes equipped with the desirable Tech Pack, which includes Bluetooth connectivity and a 360 degree camera for effortless parking assistance. The Smart Vision Pack adds front and rear parking sensors, while the N-Connecta trim also benefits from dual zone climate control air conditioning and keyless entry via the Intelligent Key system.

This Qashqai offers excellent running costs, achieving an impressive fuel economy of 64 miles per gallon, which is a significant advantage over many other vehicles. Its low CO2 emissions and low insurance group further contribute to its affordability and appeal. These highlights demonstrate how this particular Qashqai offers a more economical and cost effective ownership experience compared to similar models on the market.
