## DESCRIPTION

This 2016 Nissan X-Trail dCi n-tec is a standout example, having been owned by just one careful keeper from new and boasting a full service history. This Euro 6 compliant 1.6 litre diesel model comes with an MOT valid until March 2027 and a clear vehicle history check, offering complete peace of mind. Inside, you'll find a versatile 7 seat upgrade, automatic headlights that activate at dusk, and dual zone automatic climate control for everyone's comfort. Parking is made simple with front and rear parking sensors, and the NissanConnect system with Bluetooth keeps you connected on the go.

With a low mileage of 76244 miles for its age, this X-Trail offers excellent value. Its fuel economy of 55 mpg is impressive, meaning fewer trips to the petrol station and more money in your pocket. The large boot space provides ample room for all your luggage or shopping, making it a practical choice for families or those who need extra capacity. Furthermore, its low CO2 emissions are better than many similar vehicles, contributing to a lower environmental impact. This X-Trail also sits in a low insurance group, which can help to reduce your annual running costs.
