DESCRIPTION

This 2017 Nissan X-Trail dCi Tekna offers a robust Four Wheel Drive system, perfect for tackling varied road conditions with confidence. Powered by a 2.0L Diesel engine, this Tekna trim model combines efficiency with performance. It comes equipped with practical Extreme RoofRails, ideal for carrying extra gear. For enhanced visibility, it features Bi-Xenon headlights that automatically activate with the dusk sensor, ensuring you're always well lit. Inside, you can enjoy your favourite music through the premium BOSE Audio System, and the front seats are heated for added comfort during colder journeys.

The Nissan X-Trail dCi Tekna stands out with its thoughtful features designed to elevate your driving experience. The inclusion of heated front seats and the advanced BOSE Audio System demonstrate a commitment to passenger comfort and entertainment, setting it apart from many other vehicles in its class. Furthermore, the Bi-Xenon headlights with automatic activation provide superior illumination and convenience, highlighting the advanced technology present in this well appointed SUV.
