## DESCRIPTION

This 2015 Nissan X-Trail dCi Tekna has been well maintained by only two owners and has covered a low mileage of 84,273 miles for its age. This capable vehicle features a 1.6 litre diesel engine paired with a four wheel drive system, making it a practical choice for various driving conditions. As a Euro 6 emission class vehicle, it meets modern standards for cleaner travel. The Tekna trim level adds a high level of comfort and convenience, including a panoramic sunroof with a one touch shade and a versatile 7 seat upgrade. Parking is made straightforward with the around view monitor, which provides colour front, rear, and side camera views, supported by both front and rear parking sensors. Staying connected on the move is simple thanks to the integrated Bluetooth system with a microphone.

This model stands out from similar vehicles by balancing utility with efficiency and low running costs. It offers an impressive fuel economy of 52 mpg, which helps to keep ongoing expenses manageable. Furthermore, the vehicle falls into a low insurance group, providing additional savings for the owner. Beyond its economical performance, the X-Trail is designed with practicality in mind, offering a large boot space that ensures there is plenty of room for luggage or equipment, making it a highly versatile option for families or those needing extra capacity.
