Emissions	Euro 6
ULEZ	Compliant

### PRACTICALITY

Doors	5
Seats	5

## DESCRIPTION

This 2016 Nissan X-Trail dCi Visia presents a compelling proposition with its remarkably low mileage of just 79,360 miles, especially considering its age, and a history of only two previous owners. This Euro 6 compliant 1.6 litre diesel model, in the Visia trim, offers practical features designed for everyday use, including Bluetooth connectivity with a microphone for handsfree calls and manual air conditioning with a pollen filter to ensure a comfortable cabin environment.

The exceptional fuel economy of 58 miles per gallon sets this X-Trail apart from many others in its class, making it an economical choice for your journeys. Furthermore, its low CO2 emissions contribute to a more environmentally friendly drive, and its position in a low insurance group means lower running costs. You will also appreciate the generous boot space, providing ample room for luggage, shopping, or equipment.
