DESCRIPTION

This 2014 Peugeot 308 SW e-THP Feline presents a remarkable opportunity with its exceptionally low mileage of just 70,200 miles for its age. This Feline trim model is equipped with a responsive 1.2 litre petrol engine and meets Euro 6 emissions standards. You'll appreciate the convenience of Cruise Control, including dynamic adaptive cruise control, and the ease of parking with front and rear parking aids. The Feline trim also boasts striking LED headlights and automatic dual zone climate control for a comfortable driving experience in all conditions.

This Peugeot 308 SW stands out with its impressive fuel economy, achieving up to 54 miles per gallon, which is a significant advantage for your running costs. Its low CO2 emissions are also a key benefit, contributing to a more environmentally friendly drive. Furthermore, its low insurance group rating means more savings on your policy. For those needing practicality, the generous boot space offers ample room for luggage or shopping, making this a well rounded and economical choice.
