## DESCRIPTION

Boasting exceptionally low mileage for its age, this 2014 Renault Scenic dCi Dynamique TomTom represents a superb find. With only 40342 miles on the clock and a history of just two owners, this well maintained vehicle comes with a full service history and a clear vehicle history check, ensuring peace of mind. The Dynamique TomTom trim level offers a host of desirable features, including automatic dual zone climate control for personalised comfort, Renault keyless entry for effortless access, and automatic headlights that adapt to changing light conditions. Stay connected on the go with integrated Bluetooth connectivity, making hands free calls and audio streaming simple.

This Renault Scenic is designed for practicality and comfort, featuring a generous boot space that makes it ideal for families or those who need ample storage. The 1.5 litre diesel engine provides an economical yet capable driving experience. The inclusion of 12 months MOT with the purchase further enhances its value, demonstrating its roadworthiness. These combined elements, from its low mileage and careful ownership to its practical features and included MOT, set this Scenic apart from other vehicles of its kind.
