DESCRIPTION

This 2014 Volvo V40 D2 R Design presents an exceptional opportunity with its remarkably low mileage of just 63,062 miles, especially for a vehicle of its age, and boasts a clear vehicle history check. This stylish R Design model is equipped with a fuel efficient 1.6L Diesel Engine, offering an impressive fuel economy of 83 mpg. Inside, you'll find convenient features such as Electronic Climate Control, a Bluetooth Handsfree System for seamless connectivity, and Headlights with a Tunnel Sensor that automatically activate them when needed.

The Volvo V40 D2 R Design stands out with its low CO2 emissions, contributing to a more environmentally conscious drive. Its low insurance group rating means more savings for you, while the generous boot space ensures practicality for all your needs. These highlights demonstrate how this particular V40 offers superior value and a more enjoyable ownership experience compared to other vehicles in its class.
